Dear Parents and Learners,

It is our pleasure to welcome you to Harrow High Sixth Form. Our aim in the school and the Sixth Form is simple; Excellence for All. In 2017, Harrow High Sixth Form learners achieved the best exam results ever in the Sixth Form at A-Level and this is testament to our staff and students relentless commitment to our aim. At A-Level, 20% of A level grades were awarded at A*-A and 55% at A*-B. With Level 3 BTEC outcomes included, these figures are a staggering 38% and 72% respectively, with an amazing 90% of grades at A*-C. This places us in the top 10% of Sixth Forms nationally for AS level, A-Level, and BTEC qualifications.

We are a relatively small Sixth Form, which allows class sizes to be small and for students to be known very well by their teachers and tutors, which makes for a supportive and warm atmosphere. All students are taught in specialist modern Sixth Form classrooms in a purpose built block, by a team of highly skilled, and enthusiastic subject specialists. Specialist Sixth Form Tutors and a Sixth Form Learning Mentor, develop students' academic and wider skills so that they can make successful applications to the most selective undergraduate courses at top universities such as UCL, Imperial, Warwick, and Queen Mary, where our alumni now study.

In our last Ofsted Inspection, (2014) Inspectors commented that "high-quality teaching was seen in a number of Sixth Form lessons." And that "the progress of sixth-form students is carefully monitored and support is quickly and effectively put in place for anyone who is underachieving and the resulting targeted work with individual students is having a positive impact and results are set to rise further."

If you have any questions, please do not hesitate to contact us, or visit our website www.hhsweb.org/sixth-form for further information. You can also follow us @hhs6th on twitter, to get a flavour for what life in our outstanding Sixth Form is like.

I wish you all the best in your vital GCSE year, and look forward to welcoming you to our Sixth Form in September 2017

Yours Sincerely,
